

Catalog No. R041C010

Description: 100A SURFACE 30/20GFCI

UPC No 784567301687

Home > RV Park Equipment > Surface - Metered

Midwest Electric's metallic RV units are manufactured using 16-gauge, galvanized zinc-coated steel and NEMA 3R construction, which resists corrosion and fading and provides lasting service in outdoor applications. Units are available in surface mount and earth burial or padmount posts, offering a wide range of receptacle configurations to fit your needs.
