**Home > Panelboards > ReliaGear Lighting Panel > Pro-Stock Lighting Panel**

Door within door 20" front with quarter turn locks for surface mounted ReliaGear lightings panels. Quarter turn locks are required for XT5 and XT6 panelboard configurations, but can be used with other applications as well. Front hinged to box is similar to door-in-door for convenient access to gutters, but more economically priced. A contractor must remove four screws to access the outer door.
