When it comes to getting the job done right, you can count on safety switches from ABB. ABB offers a wide variety of general duty switches for residential and light commercial purposes, while the extensive line of heavy-duty switches is best suited for commercial and industrial applications. For the toughest industrial environments — such as cement foundries, steel mills and processing plants — dust-tight and stainless steel switches are available. We also offer a variety of double throw switches for emergency generators. No matter the application, we've got you covered with a rugged, reliable and easy-to-install Spec-Setter safety switch. 200A 3P DBL THR N3R 240V FUSIBLE

Descriptors

Category	Double Throw
Notes	Not suitable for use as service equipment. Solid neutral not available.
GO Schedule	SB

Specifications

Voltage	240 AC
Amperage	200 A
Poles	3
