

**Catalog No. THT2**

**Description: THQP HANDLE TIE**

**UPC No 783164013108**

**Home > Circuit Breakers > Residential Circuit Breakers > Accessories/Parts**

The THT2 is a solid snap-on, trip indicating, handle tie for two single pole 1/2" THQP breakers. This should be used in a setting with 2 THQPs separated by 2 side-by-side THQPs. All multi-pole breakers have an internal common trip and handle ties provide manual on-off capability only between one-pole devices.
